EDUCATION

Green Valley International School
5th – 12th standard
92.4% in 10Th standard (ICSE)
86.7% in 12th standard (Karnataka State Board)
Acharya Institute of Technology
B.E in Computer Science
2023 – ongoing (till 2027)

PROJECTS

Code Snippets
Created a MERN stack website with custom login and sign-up functionality using Node.js. It offers developers code snippets in multiple programming languages.
Github rep: **https://github.com/shaikhFaris/codeSnippets**

File Organizer Script using Node.js
Built a Node.js tool to automate file sorting by extensions. It creates directories, moves files, and organizes them efficiently using fs, fs-extra, and path modules.
Github repo:
https://github.com/shaikhFaris/contributions/tree/main/file%20Organiser

My Porfolio Website
Designed and built a personal portfolio using the MERN stack, Three.js for 3D animations, and Tailwind CSS for responsive design.
